Dissertation Title: Legitimizing Self-determination: Advancing the Sovereignty of Separatist Movements

Summary: This dissertation and book project examines foreign policy towards states facing active separatist or self-determination movements. It develops a new measure of international recognition, shows how foreign policy decisions affect the international sovereignty of separatists, and focuses on the impact of normative pressures on state relations with countries embroiled in conflict.

Spring 2011 **B.A. Peace Studies, Sociology**, *Chapman University*.
